## CS 346: Meeting Minutes

Date: Nov 10<sup>th</sup>

Team: 211

Present: All

Absent: None

---

### Agenda

- Discussing about which data to store in the web service and which data store in local
- Discussing about any challenges from implementing the web service

### Notes

- Cannot set the dependency in Ktor and cannot run the programs simultaneously.
- Need to save the events on web service.
- Need to save the notes on web service.

### Decisions

- We decide to consult the documentation for Ktor and Google cloud to resolve our issue.

### Actions

- Resolve the issues with implementing the web service using Ktor and Google cloud as soon as possible.
