
CS 346: Meeting Minutes

Date: Nov 22th

Team: 211

Present: All

Absent: None

Agenda

- Discussing about any issues from the previous sprint.
- Discussing about how to implement docker.

Notes

- When switching between months in the monthly calendar, the dates will also be affected in the daily calendar.
- Some errors occur in notes section.

Decisions

- We decided to use local dates in the daily calendar, so it automatically switches to the correct date.
- We decided to fix the errors occurred in notes section.
- We decided to consult documentation for implementing docker.

Actions

- Solve the issues for calendar and notes.
- Consult documentation for docker.
