CS 346: Meeting Minutes

Date: Nov 15th Team: 211

Present: All

Absent: None

Agenda

- Discussing about how to allow multiple users to use the app.
- Discussing about issues and bugs.

Notes

- Monthly bar chart cannot scroll to see 31st in Summary.
- There might be some delay between the server and the app, because after checking off the to-do events, when we clicked home and then click back, the to-do list is still checked.

Decisions

- We decide to check piazza, course notes and documentations to resolve the issues and allowing multiple users to use the app.

Actions

- Resolving the issues regarding the connection between servers as soon as possible.
- Resolving the issues with Summary as soon as possible.
